RAINBOW FLEET

Holistic - complete and comprehensive services

Stewardship - taking great care of our past, present, and future commitments through accountability and selfless service.

Expect Excellence - high quality standards and first-rate support in our communities

Innovative - growth-oriented creative and curious minds

Committed - driven, passionate change-makers

LEADERSHIP & STAFF

Rainbow Fleet's innovative programs and services are made possible through the work of our staff and the invaluable guidance of our dedicated board of directors. Our organization, as well as the children, providers and families we serve, benefits from their talents and their commitment to building a bright future for our community and our state.

Our Mission

We provide innovative child development programs and services that enhance the quality of life in Oklahoma.

SUPPORT SERVICES

Rainbow Fleet's provider and support services help providers improve or enhance the quality of child care so that families have access to quality child care for their children. As a result, providers will be able to implement knowledge about quality in their individual caregiving situations.
